Hi,

I posted a couple of days ago for a test version, i didnt get any response.

I hope you get me a test version, so we can test it!

It takes quite some efforts to setup a trial version, you can go ahead to purchase, if not working, I will refund you within a few days of time frame.

Thanks,

To bad that we cant, we need a test version for our company.  
I want to import this app for all our android devices.

But thanks for you help.
